DataCite Canada Consortium January 1, 2021 – December 31, 2021 PARTICIPATION AND FINANCIAL COMMITMENT AGREEMENT

I have reviewed the financial commitment and terms and conditions required to participate in the *DataCite Canada* consortium for the period of January 1, 2021 – December 31, 2021.

I understand the pricing is composed of two elements: the organization fee and the annual DOI fee. The organization fee will be 50 euros due to a 90% discount provided by the consortium. The annual DOI fee will be based on the number of DOIs minted during the previous calendar year as indicated here: <https://datacite.org/feemodel.html>. A 25% discount will be applied to DataCite Canada Consortium members in tiers 2 and above. I understand that the fees are established by DataCite in euros.

I recognize that CRKN cannot predict or guarantee the market foreign exchange rates in effect at the date of invoice or settlement, but works to obtain competitive rates at any given point in time.

I hereby **CONFIRM** the following:

- I am a duly authorized representative of my organization;
- That my organization commits to participate in the *DataCite Canada Consortium* for the period of January 1, 2021 – December 31, 2021, and will provide payment to CRKN as indicated below and according to the terms of the CRKN invoice; and,
- That my organization will be billed in Canadian funds
