CRKN has a Open Access agreement with SAGE. This three year Read and Publish agreement will provide expanded open access publishing opportunities for corresponding authors at Canadian Universities.

Benefits include:

- **Unlimited, free open access** publishing in SAGE Choice hybrid titles.
- **Read access** to SAGE’s full Premier 2021 collection of **over 1,100 journals**.
- **A 40% discount** on APCs for articles published in SAGE’s Gold Open Access journals.
After your *paper has been accepted* you will receive an email asking you to select your publishing route.

**Choose open access** for your article

Dear Sophie Oliver,

Congratulations on the acceptance of your paper *CRKN* Article Test 313 (DOI: 10.1377/000579213011122313; ID: 1011122).

Open access publication for your paper in *Adoption & Fostering* has been requested by Canadian Research Knowledge Network (CRKN). Thanks to your institution’s participation in the CRKN-SAGE Publishing agreement, your article is eligible to be published open access via SAGE Choice without additional cost. Please click here for more information on CRKN’s arrangement with SAGE.

Select your publishing route

No payment by you is required to make your article open access. Just select the open access publishing option via the button above to sign the open access license. This offer expires on Friday 28 May 2021. After this date, you may not be able to make your article open access for free.

Benefits of open access:

- free to read – no subscription required
- gain high visibility and global exposure to a multidisciplinary audience
- a route to be compliant with funder and institution open access mandates

Visit SAGE’s Open Access Portal to learn more and choose your publishing route.

Best wishes,

SAGE Publishing
Open Access Team
openaccess@sagepub.com

You will be linked to the SAGE Open Access Portal where you can choose to make your article Open Access and **Select** your Open Access license.

Welcome to SAGE’s Open Access Portal

Here you can choose to make your article open access and select your open access license.

Choosing open access will mean that your article can be read in the journal by anyone anywhere in the world without restrictions. This may increase the number of readers of your article. It may also encourage collaboration and faster development in your field of research.

Open access for your article has been requested by Canadian Research Knowledge Network (CRKN) on behalf of your institution.

On behalf of your institution, CRKN has an arrangement with SAGE that enables articles by participating member institutions to be published Open Access without additional cost.

No payment is required to make your article open access. There will be no charge to you.

Would you like to make your article open access?

- [ ] Yes, make my article open access.
- [ ] No, publish my article subscription.

This price confirms the CRKN discount and 0 APC
A follow up confirmation will be sent to you so that you can choose to make your article open access and if not, state your reason why.

Let us know who you are: Once you have selected yes, only one of the named authors of the article may complete the next step on copyright and open access license selection.
You will be asked to select the appropriate license and copyright options. The licenses displayed to you are compliant with the mandate CRKN has with SAGE.

You will then be asked to sign the license and agree to the Terms of the Agreement.
You will receive an email confirming your selection.

Open access license information for your paper

Dear Authors,

Sophie Oliver has selected the following open access Creative Commons license for your article, on behalf of any co-authors: Creative Commons Attribution-NonCommercial license (CC BY-NC 4.0)

- CC BY-NC 4.0
- 10.1177/000575221101122
- Adoption & Fostering

Attached is the full license and the terms of the agreement for your reference. It also specifies how your article may be reused.

Your paper will be published open access by SAGE in Adoption & Fostering under the terms of this signed agreement soon.

Best wishes,

SAGE Publishing Open Access Team
