

How to Access Wordly

Attendees can access Wordly captioning and simultaneous interpretation through the Wordly Link or QR Code that CRKN will distribute to all attendees. Attendees wishing to listen to the live translation will need a headset, which the audio-visual providers will supply at the meeting.

1. Scan or Click

- Scan the event QR code with your mobile device, or
- Click the attendee link on your phone, tablet, or computer.

2. Select Your Language

- Choose your preferred language for translation.

3. Listen or Read

- Connect a headset or earphones to your device to listen to the live translated audio.
- You can also read live translated captions directly on your screen.
